DEDICATION

The class of 1958 is proud to dedicate its yearbook, "Timaron," to the memory of Mrs. Louise Walker, whose life was dedicated to study and fulfillment of her ideals. Her energies were given willingly as a teacher and as a citizen. Under her guidance we were trained to fulfill our place as responsible citizens and to be working constantly for our personal betterment. Mrs. Walker's quiet, unassuming manner made her a highly respected member of her community and an example of graceful leadership to her family and to her students.

APPRECIATION

In the year 1930 the door of Memorial High School opened to welcome Miss Mary Brier as a teacher of French, but she has also taught algebra, sociology, and Latin during her twenty eight years of teaching here. As advisor, she has been active in the Junior Red Cross with collections, and decorations for veterans' hospitals and the sanitorium.

Miss Brier's students have sensed her depth of sincerity and fairness under all conditions. We, the class of '58, hope that the years have been as happy for her as she has made them for us.

Members of the Class of 1958:

You now find yourself at a point where you are enjoying a "once in a lifetime" experience, — graduation from high school.

Your graduation is occurring at a time of unusual significance, — the atomic age and the dawning of man-made satellites. You will be joining with the adult population of America in providing America's response to missile programs on the eve of space travel. It is my earnest hope that you recognize that the challenge lies in a renewed emphasis on quality education and that you will add your good judgment to our community for this purpose.

May you achieve success in your undertakings. Good health and prosperity to all of you.

Sincerely,

Samuel Deich

Principal

The Class of 1958, proudly presents its yearbook, "Timaron." Publishing this book required the co-operation of the entire staff. First, we solicited advertisements and arranged the senior section. Write-ups, typing, checking, and rechecking followed. More pictures were taken. Again we compiled and checked. At last our book was ready for the printers. Special credit belongs to the Business Managers, Photography Editors, and Faculty Advisors for their hours of help.

We've tried to include all the important social and sports events of the year. We have tried to please you, and we hope your yearbook will bring back memories and friends from your high school days.

SENIOR CLASS HISTORY

Presenting: A drama in four acts
Time: September, 1954
Setting: Middleboro, Massachusetts
Place: Memorial High School
Characters: The class of 1958

As the curtain rises for the first act, we are found in high spirits and looking forward to our freshman year in M. H. S. Soon after our first class meeting we elected John McDonald, John Logan, Martha Nay, and Glenn Griffith to play the parts of president, vice-president, secretary, and treasurer, respectively. One of the highlights in our first act was our undefeated freshman football team, captained by Dave Butler and John McDonald. Diana Williams led the cheerleaders. One of the more serious scenes was the spring tapping ceremony when Elaine Battis and John McDonald were initiated into the Silver "M" Society. Our big social success of the year was the annual freshman-eighth grade "Get Acquainted" Dance which we put on in May.

Before we knew it, the first act was over and when the curtain rose on the second act, we found ourselves no longer underclassmen, but somewhat more experienced actors called sophomores. The controls of this act were handed over to John McDonald, president, Frank Follett, vice-president, Martha Nay, secretary, and Glenn Griffith, treasurer.

Our big scene came when we put on the Christmas dance, which was a big success and set a new tally for profits. Our other accomplishments were a baby picture contest and the tapping of two more members of our class into Silver "M." They were Dianne Beckman and David Butler.

Our acting talent really began to shine at the start of the third act. The leadership was again handed to John McDonald, who had the aid of Gordon Leighton, vice-president; Martha Nay, secretary; and Glenn Griffith, treasurer.

The highlight of this act was our Junior Prom with the theme, "Stairway to the Stars," which was very successful and enjoyable. Marion Barnard and Barbara Eayrs were the members of our class who were welcomed into Silver "M" during the third act. Another scene was the establishment of the Anchrier Chapter of the National Honor Society.

After a short intermission the curtain rose on seasoned actors for the fourth and final act of our drama. Elected officers for our senior year were Gordon Leighton, president; Marion Barnard, vice-president; Patricia Atwood, secretary, and Glenn Griffith, treasurer. At the annual Silver "M" tapping Patricia Atwood and Lura Cole were chosen from our class ranks. The Student Council later elected Russell Austin, Ann Drysgola, Patricia Liepis, and Nancy Kinsman.

Many other scenes came to light — the National Honor Society trip to New York, our Senior Play "Fog Island," and the first use of the Cafeteria for a dance.

Our sports activities really boomed with a successful football and basketball season. We took second place in the football league and beat Bridgewater in the Turkey Day clash. Football captains were Frank Follett and Dave Butler.

Gordon Leighton, our captain and high scorer of the Old Colony League, and Dick Norris were chosen for the All-Star Basketball team.

Let's not forget the girls' teams that ran on to victories in basketball and hockey with both teams captained by Linda Lakey. The cheerleaders were led by Patti Atwood.

Too soon, however, it will be time for the last curtain call for our high school years. Soon we will be actors on the stage of the world.

Curtain.

CLASS OF 1959

Left to right: N. Robinson, secretory; J. Swortz, president; B. Oliver, treasurer; ond F. Leo, vice-president.

5, 4, 3, 2, 1!! Blast off! In September of 1955 we, the Class of '59 launched our rocket into M. H. S. With Jim Bonnar, president; Dave Hanson, vice-president; Pat Rogers, secretary; and Madelyn Medeiros, treasurer, the first stage of our rocket trip through M. H. S. was on its way. This able crew manned our successful "Get Acquainted Social" held the following May. Our basketball stars won the majority of their games, and our girls joined in the spirit by playing hockey and basketball. We were now ready for the second stage of our flight.

Rocket number two boosted us further along to our destination. Athan Savas, president; Jim Bonnar, vice-president; Greta Hale, secretary; and June Hall, treasurer, headed our crew. Our Snowball Dance was out of this world, and our class trip, held on a nearby satellite better known as Nantasket, was an adventurous way to wind up the year.

En route, outstanding classmates have received the Silver "M" for their qualities exemplifying good citizenship. This passenger list includes Pat Rogers, Jim Bonnar, John Swartz, Dave Hanson, Bonnie Blais, Nancy Robinson, and Deanne Donner.

Now we're in the third stage of our trip. Managing the controls are John Swartz, president; Frank Leo, vice-president; Nancy Robinson, secretary; and Barbara Oliver, treasurer. The brightest star on our horizon was our Junior Prom, "Moonlight Serenade." Miss O'Neil helped us launch this biggest social event of the year. Fuel for our rocket was provided by a cake sale and the selling of orange and black M. H. S. pins. The rings around Saturn are nothing compared to the beautiful new class rings around our fingers!

We are now coming to the end of our journey with only one stage of our rocket flight remaining. Signing off — WHOOSH!!!

Right to left: E. Walker, secretary; R. Berry, treasurer; A. Gillis, vice-president; R. Burr, president.

"This is Your Life"

Let's return to September, 1956, when we became part of the student body of M. H. S. It was in November of that same year that we elected Richard Burr, president; Ann Gillis, vice-president; Eleanor Walker, secretary; and Roderick Berry, treasurer. Under these capable officers, in May of '57 we welcomed the incoming freshmen by sponsoring a "Get-Acquainted" Social.

This year as sophomores we again elected Richard Burr as president, Ann Gillis as vice-president, Eleanor Walker as secretary, and Roderick Berry as treasurer. The highlight of this year was our Christmas dance, Winter Wonderland, which was a great success and for which we owe thanks to Miss Whitty, our class advisor. This year we also selected Marjorie Kinsman and Marie DiPalma to join Eleanor Walker and Richard Burr, whom we chose as freshmen to represent our class in the Silver "M" Society. Many of our class have participated actively in sports. The sophomore girls contributing on the varsity cheering squad are Linnea Nyberg, Kathy Thompson, and Terry Gillis. Many of the boys have also helped a great deal in making this year an outstanding one in football.

As this year draws to a close we can look forward to two more pleasant and profitable years at M. H. S.

CLASS OF 1961

Left to right: W. Norris, vice-president; B. Thomas, treasurer; J. Hale, secretary; and G. Doyle, president.

Here we are, the class of '61! Last September we came here as 185 pupils, seeking the vast knowledge of high school.

In February we elected our class officers. Our president, Greg Doyle, is ably assisted by Bill Norris, vice-president; Judy Hale, secretary; and Brad Thomas, treasurer.

Our first class meeting was held in the cafeteria on February 13, 1958. The dues was the main topic of discussion.

The contributions we have made to Silver "M" are Valerie Mulkern and Greg Doyle.

We had our own well-managed football and basketball teams. A group of smiling, energetic, cheerleaders backed the teams with many bright cheers.

We are all looking forward to our three remaining years at Memorial High School.
